

# Sacred Grounds

Stations of the Cross

Thanks to a generous gift from the Archdiocese and careful handling and shipping by a skilled contractor, the Stations arrived sooner and are more magnificent than we ever imagined. Please (scroll down to) see the site map for the location of the Stations on our property.

Future projects

- Stations of the Rosary
- Re-pave the parking lot and all drive areas of the church
- Build dozens of new parking spaces on the level of the church
